Terms & Conditions

Please refer http://www.rtslink.com/orderinfo.html for terms & conditions.
Please refer www.rtslink.com/buy.html for UDIMagic multi-user price.

Support Services

Support Services shall be provided by Shweta Softwares by email.

This basically involves the following:-
a) Writing of XML tags for the Excel sheet that the Customer provides. Using the XML tags, Customer can import data into Tally using UDI-Magic. XML tags can be provided for 2 Excel sheets per Client/Order for UDIMagic Standard value-pack.
b) For writing XML tags, the Customer must provide Excel sheet (with sample entries) and the Tally effect that is required for those entries.
c) Support Services are provided for 90 days to end-users.

Software Licensing (Registration and Surrender of License)

UDIMagic v6.0 uses a Dual licensing method. For details, please refer this link :
