

## Tally to Excel

### Party-wise and StockItem-wise Sales

Product : **RTS-XQuery Freemium v1.0**  
 Tally : v 6.3 and higher  
 Windows : Windows 2000 and higher

#### Preface

This document provides instructions for generating “Party-wise / StockItem Sales Report” using RTS-XQuery Freemium.

#### Step-by-Step Instructions

- 1) Start Tally Software and open any Company which contains “Sales Vouchers” with Inventory.
- 2) Minimize Tally Software.
- 3) Start the RTS-XQuery Freemium Software
- 4) Next, specify the period (From and To dates to fetch Tally data)
- 5) Next, click on the Browse button and select the XQuery file :-  
**“party-and-stockitem-wise-sales.xq”**
- 6) Next, enable the option “Use Macros” and select the Macro-file :-  
**“party-and-stockitem-wise-sales-macro.txt”**
- 7) Next, click on the START button to start the Process.

If everything goes fine, the following report is generated in MS-Excel

Report generated from Tally using RTS-XQuery
